MEMORANDUM FOR: Intelligence Assistant Directors
Director, NPIC
Assistant Director/OSI/DD&T

SUBJECT : Printing Services

REFERENCE : ADDI/M Memo to DDS, 2 January 1964,
same subject

1. By copy of reference, you have been given direction and guidance in your efforts to bring the DDI reproduction load and PSD capabilities into balance.

2. Tab B of reference outlined a scheme for assigning priorities, by series and in advance where possible, to help PSD plan its production. We need to apply the priorities concept to your production to ascertain if the concept is both sound and helpful, or if it needs modification, or indeed if any concept is worth the trouble.

3. Would you therefore please let me know what priorities you propose to assign to your publications so that I may consolidate results.
